Directions: Please write your answers in complete sentences in English. Provide examples to illustrate your points whenever appropriate. Your answers will be evaluated based on: (a) understanding of target issues/theories, and (b) quality of written English.

1. (20%) Discuss your stance on this statement:
   In language teaching, we must practice and practice, again and again. Just watch a small child learning his mother tongue. He repeats things over and over again. During the language learning stage he practices all the time. This is what we must also do when we learn a foreign language.

   Be sure to support your opinions with relevant theories and schools of thought of second/foreign language acquisition.

2. (30%) Define the following terms:
   (A) language transfer
   (B) implicit vs. explicit knowledge
   (C) language ego
Directions: Please write your answers in complete sentences in English. Your answers will be evaluated based on (a) the comprehension of the questions and (b) the quality of the written language.
